

## WHISKEY JOHNNY

#59

| Oh, whiskey is the life of man  
| Whiskey—Johnny.

| Oh, I'll get whiskey where I can  
| Whiskey for me Johnny.

| Whiskey made me pawn my clothes  
| And whiskey gave me this red nose.

Oh, whiskey here and whiskey there,  
Whiskey—Johnny.

Oh, I'll get whiskey everywhere  
Whiskey for me Johnny.

| I'll drink it hot, I'll drink it cold,  
| I'll drink it new, I'll drink it old.

| Oh, whiskey killed my poor old dad  
| And whiskey drove my mother mad.

| Some like whiskey, some like beer  
| I wish I had a barrel here.

| Whiskey killed my sister Sue  
| And whiskey killed by brother too

| Oh, whiskey up and whiskey down  
| Oh, whiskey all around the town

| Oh, Champagne's good and rum is free  
| But whiskey's good enough for me
